

More Valuable Data Available from FHA

FHA Salary Surveys Now Available!

Conducted for over 20 years, the FHA Salary Surveys are the most comprehensive source for wage and salary data. Participating hospitals receive a complimentary copy of the reports and FHA is now making these valuable resource available to others!

FHA Management/Department Head Salary Survey: Provides analysis by region of the state, bed size, and net patient revenue for 81 common management and department head positions. Data on annual salary and average salary by title and tenure are included.

FHA Non-Management Salary Survey: Provides wage analysis for 278 key hospital, physician office, skilled nursing, psychiatric and rehabilitation positions by region of the state and bed size. Minimum rate, maximum hire rate, maximum hourly rate, average effective rate, shift differentials, and premiums are reported for each position.

Cost:
