

The Coalition to Heal Healthcare in Florida Roster of Members and Supporters

The Coalition to Heal Healthcare in Florida is a broad-based alliance that includes the Florida Hospital Association, the Florida Medical Association and a wide variety of other medical and business groups. What follows is a roster of members and supporters.

Florida Hospital Association

The Florida Hospital Association (FHA) is a not-for-profit association representing more than 230 hospitals all across Florida. The FHA's membership includes 19 professional membership groups and over 1,800 professional members.

Florida Medical Association

The Florida Medical Association, with 16,000 members, is the state's largest advocacy organization for Florida physicians and patients. It works to promote public health, ensure high standards of medical education and ethics, and enhance the quality and availability of healthcare.
