about THE CALENDAR

This publication is intended to provide accurate and authoritative information in regard to the subject matter covered.

Dates, descriptions, and contact information have been provided by the sponsoring organizations. With the exception of National Hospital Week and the recognition events of the Personal Membership Groups of the American Hospital Association, the events listed are neither endorsed nor sponsored by the American Hospital Association or the Society for Healthcare Strategy and Market Development.

To place an order, call 312.422.3888, or order online at www.shsmd.org/calendar.

about SHSMD

The Society for Healthcare Strategy and Market Development (SHSMD) of the American Hospital Association is the premier organization for healthcare marketers, planners, and communications and public relations professionals. A Personal Membership Group of the American Hospital Association, SHSMD serves more than 4,000 members and is the largest organization in the nation devoted to serving the needs of healthcare strategy professionals. SHSMD is committed to helping its members meet the future with greater knowledge and opportunity as their organizations work to improve health status and quality of life in their communities. For more information, visit www.shsmd.org.

JANUARY 1-31
Birth Defects Prevention Awareness Month (National)
Women of childbearing age and their care providers need to know that folic acid promotes good health before, during, and after pregnancy. Daily consumption of the B vitamin folic acid beginning before pregnancy is crucial, as birth defects of the brain and spine known as neural tube defects (NTDs), including spina bifida, can occur in the early weeks following conception, often before a woman knows she is pregnant.

www.marchofdimes.com or http://nacersano.org

JANUARY 1-31
Blood Donor Month (National)
Blood is traditionally in short supply during the winter months, especially January, due to the holidays, travel schedules, inclement weather, and illness. A reduction in turnout can put our nation's blood inventory at a critical low. January has been designated as National Blood Donor Month to encourage donors to give or pledge to give blood.
CONTACT: Association of Donor Recruitment Professionals | 512.658.9414 |
www.adrp.org

JANUARY 1-31
Cervical Cancer Screening Month
The Foundation for Women's Cancer, the National Cervical Cancer Public Education Campaign, and its partner organizations promote the message that cervical cancer is preventable—vaccinate early, Pap test regularly, and HPV test when recommended.
CONTACT: Marsha Wilson | Foundation for Women's Cancer | 312.578.1439 |
info@foundationforwomenscancer.org | www.wcn.org

JANUARY 1-31
Cervical Health Awareness Month
During January, issues are highlighted relating to cervical cancer, human papillomavirus (HPV), and the importance of early detection, along with personal stories of women and caregivers battling persistent HPV, precancer, or cervical cancer. In addition, recent advances and research in the prevention, detection, and treatment of cervical cancer and HPV, and the success of local early detection cervical cancer screening and treatment programs are acknowledged.
CONTACT: National Cervical Cancer Coalition | International HPV Cancer Coalition |

www.nccc-online.org

JANUARY 1-31
Glaucoma Awareness Month (National)
More than 2.2 million Americans age 40 and older suffer from glaucoma. Nearly half do not know they have the disease—it causes no early symptoms. Prevent Blindness America will provide insightful information about this “Sneak Thief of Sight.”
CONTACT: Prevent Blindness America | 800.331.2020 | info@preventblindness.org |
www.preventblindness.org

JANUARY 19-25
Healthy Weight Week
Healthy Weight Week celebrates healthy lifestyles that last a lifetime and prevent eating and weight problems. This annual celebration is a time for people of all sizes to live actively, eat well, and feel good about themselves and others. On Tuesday of Healthy Weight Week, Rid the World of Fad Diets and Gimmicks Day is celebrated and the annual Slim Chance Awards are announced for the worst diet products of the year.
CONTACT: Francie Berg | Healthy Weight Network | 701.567.2646 |
fmberg@healthyweight.net | www.healthyweight.net/hww.htm#hww

JANUARY 23
Women’s Healthy Weight Day
This day honors American women of all sizes and affirms that beauty, talent, and love cannot be weighed. Winners of the Women’s Healthy Weight Day awards will be announced, recognizing businesses that portray size diversity and reject the national obsession with thinness that is shattering the lives of women, young girls, and their families.

fmberg@healthyweight.net | www.healthyweight.net/hww.htm#hww

JANUARY 25
IV Nurse Day
Every year since 1981, National IV Nurse Day has honored the commitment shown and the outstanding patient care practiced by infusion nurse professionals. Contact the Infusion Nurses Society (INS) to learn more about IV Nurse Day, find out about local IV Nurse Day celebrations in your area, or search for commemorative IV Nurse Day gifts and products.

February
FEBRUARY 1-28
Age-Related Macular Degeneration / Low Vision Awareness Month
Age-related macular degeneration is a leading cause of vision loss, affecting more than two million Americans age 50 and older. Low vision aids can make the most of remaining vision. Information on eye disease warning signs and treatment will be available.
CONTACT: Prevent Blindness America | 800.331.2020 | info@preventblindness.org | www.preventblindness.org

FEBRUARY 1-28
Children’s Dental Health Month (National)
The American Dental Association (ADA) sponsors National Children’s Dental Health Month to raise awareness about the importance of children’s oral health.
CONTACT: American Dental Association | 800.621.8099 | ncdhm@ada.org | www.ada.org/ncdhm

FEBRUARY 1-28
Condom Month (National)
If one of Cupid’s arrows finds its way to you this month (or any other time), the American Social Health Association (ASHA) wants you to be safe. Each year in the United States, there are approximately 19 million new cases of sexually transmitted infections (STIs). Condoms are inexpensive and reduce the risks for STIs. ASHA is celebrating its 100th anniversary in 2014 and will highlight both our organization and how sexual health has evolved over the last century.
CONTACT: Fred Wyand | American Social Health Association | frewyaa@ashastd.org | www.ashastd.org or www.asha100.org

FEBRUARY 1-28
Heart Month (American)
During February, the American Heart Association’s Go Red for Women movement and its latest Hispanic movement, Go Red Por Tu Corazón, work to beat heart disease, the number-one killer of women. Each year, cardiovascular diseases claim the lives of nearly half a million women—almost one per minute. Show support for the women in your life on National Wear Red Day, February 7, by wearing red, and join the thousands of women who are choosing to reduce their personal risk for heart disease.
CONTACT: American Heart Association | 888.MY.HEART (694.3278) | www.goredforwomen.org

FEBRUARY 1-28
Kids ENT Health Month
Kids ENT Health Month is designed to offer parents and caregivers the latest information about the care, diagnosis, and treatment of pediatric ear, nose, and throat disorders.
CONTACT: Communications Business Unit | American Academy of Otolaryngology-Head and Neck Surgery | 703.535.3762 | newsroom@entnet.org | www.entnet.org

FEBRUARY 1-28
Recreational Therapy/Therapeutic Recreation Month (National)
The purpose of National Recreational Therapy/Therapeutic Recreation Month is to enhance public awareness of therapeutic recreation programs and recreational therapy (RT) services, promote inclusive recreation opportunities for individuals with disabilities, and recognize the National Council for Therapeutic Recreation Certification as the qualified provider of RT services.
CONTACT: Toni Lee | American Therapeutic Recreation Association | 601.450.2872 | store@atra-online.com | www.atra-online.com/storeindex.cfm

FEBRUARY 1-28
Wise Health Care Consumer Month
The goal of National Wise Health Care Consumer Month is to help consumers receive the right care at the right time in the right place. It involves teaching consumers how to become more active in their own healthcare, which entails knowing which symptoms require professional assistance and which can be treated at home with self-care. The event also focuses on helping consumers understand how to interact most effectively with the healthcare system to receive proper care.
CONTACT: Hope Lawless | American Institute for Preventive Medicine | 248.539.1800, ext. 238 | hlawless@healthlife.com | www.healthylife.com

FEBRUARY 2-8
Burn Awareness Week
Burn Awareness Week is Shriners Hospitals for Children’s annual kick-off of a year-long educational campaign to raise awareness of burn injuries and ways to prevent them. Free educational materials designed to be a resource for firefighters, teachers, parents and others concerned with the safety of children are provided via our website and/or burnawareness.org.
CONTACT: Public Relations Department | Shriners Hospitals for Children | 813.281.8162 | shrinepr@shrinenet.org | www.shrinershospitalsforchildren.org

MONTH-LONG OBSERVANCES
Age-Related Macular Degeneration / Low Vision Awareness Month
Children’s Dental Health Month (National)
Condom Month (National)
Heart Month (American)
Kids ENT Health Month
Recreational Therapy/Therapeutic Recreation Month (National)
Wise Health Care Consumer Month

WEEK-LONG OBSERVANCES
2-8 Burn Awareness Week
3-9 Perianesthesia Nurse Awareness Week
7-14 Congenital Heart Defect Awareness Week
9-15 Cardiac Rehabilitation Week (National)
9-15 Cardiovascular Professionals Week
23-3/1 Eating Disorders Awareness Week (National)

RECOGNITION DAYS / EVENTS
7 Wear Red Day (National)
11 Day of the Sick (World)
**February 3-9**

**Perianesthesia Nurse Awareness Week**
Perianesthesia Nurse Awareness Week is observed the first full week in February and is designed to celebrate and promote the vital practice of perianesthesia nursing.

**CONTACT:** American Society of PeriAnesthesia Nurses | 847.963.8100 | service@jimcolemanltd.com | www.panaw.com

---

**February 7-14**

**Congenital Heart Defect Awareness Week**
Congenital Heart Defect (CHD) Awareness Week is an annual effort to help educate the public about CHDs. Participants include individuals, local support groups, national and local organizations, and congenital cardiology centers throughout the world.

**CONTACT:** Mona Cristol Barmash | Congenital Heart Information Network | 609.823.4507 | mb@tchin.org | http://tchin.org/aware

---

**February 7**

**Wear Red Day (National)**
Go Red in your own fashion! Whether it's a red dress, a red t-shirt, a red dress pin, or red lipstick, show the world you passionately support Go Red For Women, the American Heart Association's initiative to save women's lives.

**CONTACT:** American Heart Association | 888.MY.HEART (694.3278) | www.goredforwomen.org

---

**February 9-15**

**Cardiovascular Professionals Week (National)**
Cardiovascular Professionals Week celebrates the contributions cardiovascular professionals make to healthcare. The Alliance of Cardiovascular Professionals (ACVP) offers a complete guide for the week to help identify activities and recognition ceremonies and provides novelties and celebratory items for both individuals and institutions.

**CONTACT:** Peggy McElgunn | ACVP | 804.632.0078 | peggymcelgunn@comcast.net | www.acp-online.org

---

**February 11**

**Day of the Sick (World)**
The World Day of the Sick is a feast day of the Roman Catholic Church that was instituted on May 13, 1992, by Pope John Paul II. Celebrated every year on the commemoration of Our Lady of Lourdes, it seeks to be “a special time of prayer and sharing, of offering one’s suffering.”

**CONTACT:** David Lichter | National Association of Catholic Chaplains | 414.483.4898 | info@nacc.org | www.nacc.org

---

**February 23-March 1**

**Eating Disorders Awareness Week (National)**
National Eating Disorders Awareness (NEDAwareness) Week provides opportunities for eating disorders organizations, mental health professionals, educators, families, and concerned individuals around the world to join together to distribute information and plan events to educate people on the seriousness of eating disorders and how to find help.

**CONTACT:** Diana Kalogridis | National Eating Disorders Association | 212.575.6200 | dkalogridis@myneda.org | www.nedAwareness.org
March
MARCH 1–31
**Athletic Training Month (National)**
Celebrate with local and national activities to raise awareness of some 35,000 athletic trainers, from youth leagues through professional sports, and recognize their work in hospitals, physician offices, schools, and clinics as healthcare professionals specializing in the prevention, diagnosis, treatment, and rehabilitation of injuries and illnesses. Unlike personal trainers, they must have a minimum of a bachelor’s degree to maintain certification through the Board of Certification for athletic trainers.
**CONTACT:** Public Relations | National Athletic Trainers’ Association | 214.637.6282 | www.nata.org

MARCH 1–31
**Brain Injury Awareness Month**
Brain Injury Awareness Month is an annual observance of the causes and consequences of brain injury. It recognizes the need for greater prevention, research, education, and advocacy on behalf of individuals who sustain a life-changing—sometimes devastating—brain injury and their family caregivers.
**CONTACT:** Rob Traister, Director of Communications | Brain Injury Association of America | 703.761.0750 | rtraister@biausa.org | www.biausa.org

MARCH 1–31
**Child Life Month**
During Child Life Month, child life programs around the world will join the Child Life Council in educating healthcare colleagues and the public about the psychosocial needs of children in pediatric settings. Research has demonstrated that child life interventions reduce the anxiety that children and families experience in a medical setting. Child Life Month is designed to honor child life specialists as they work to ensure high quality, family-centered, and developmentally appropriate care for children.
**CONTACT:** Genevieve Finn | Child Life Council, Inc. | 301.881.7090, ext. 1716 | communications@childlife.org | www.childlife.org

MARCH 1–31
**Colorectal Cancer Awareness Month (National)**
During this month, cancer groups, hospitals, and communities focus attention on preventing, treating, and curing colorectal cancer. Education is provided to the public and colorectal screenings are encouraged.
**CONTACT:** Jim Wood, Senior Director, Marketing and Communications | Prevent Cancer Foundation | 703.837.3692 | jim.wood@preventcancer.org | http://preventcancer.org

MARCH 1–31
**Eye Donor Month (National)**
Each year, the Eye Bank Association of America (EBAA) promotes March as National Eye Donor Month to raise awareness of the need to donate eyes. President Ronald Reagan proclaimed the first National Eye Donor Month in 1983, and since then, a member of Congress has read a proclamation into the Congressional Record each March to note this special occasion.
**CONTACT:** Patricia Hardy, Manager of Communications | EBAA | 202.775.4999, ext. 118 | trish@restoresight.org | www.restoresight.org

MARCH 1–31
**Kidney Month (National)**
During National Kidney Month, the National Kidney Foundation (NKF) urges Americans to get to know two humble, hardworking organs: the kidneys. To help raise awareness of and appreciation for all the vital functions the kidneys perform, the NKF is encouraging Americans to learn more and take steps now to preserve kidney health, including taking advantage of free kidney health checks in March.
**CONTACT:** NKF | 212.889.2210 | www.kidney.org

MARCH 1–31
**Nutrition Month (National)**
National Nutrition Month is a nutrition education and information campaign held annually by the Academy of Nutrition and Dietetics. The campaign focuses attention on the importance of making informed food choices and developing sound eating and physical activity habits.
**CONTACT:** Academy of Nutrition and Dietetics | nnm@eatright.org | www.eatright.org

MARCH 1–31
**Professional Social Work Month (National)**
Many social workers in healthcare settings work in hospitals where they counsel clients and their families about illnesses and treatment options. Social workers are trained listeners, providing help through support groups and community health centers. The most important role of a healthcare social worker is to help the client and his or her family understand the client’s illness, work
through the emotions of a diagnosis, and provide counsel about the decisions that need to be made.

CONTACT: Kyle Northam | National Association of Social Workers | 202.408.8600 | www.socialworkers.org or www.helpstartshere.org

MARCH 1–31
Save Your Vision Month
Save Your Vision Month is held to remind Americans of the importance of eye health and regular exams.

CONTACT: Public Relations | American Optometric Association | 800.365.2219 | slthomas@aao.org | www.aao.org

MARCH 1–31
Workplace Eye Wellness Month
When it comes to eye health, the more vision ailments employees have, the more medical care they use, increasing healthcare-related expenses. Employers are encouraged to contact Prevent Blindness America for information on the Healthy Eyes Vision Wellness Program, promoting vision care services in the workplace.

CONTACT: Prevent Blindness America | 800.331.2020 | info@preventblindness.org | www.preventblindness.org

MARCH 1–7
Aplastic Anemia and MDS Awareness Week
Aplastic Anemia and Myelodysplastic Syndrome (MDS) Awareness Week was created to raise awareness about acquired bone marrow failure diseases, which are diagnosed in more than 15,000 people each year in the United States alone, and tens of thousands more around the world. Bone marrow failure disease can strike any person, of any age, any gender, or any race, anywhere in the world.

CONTACT: Patient Education and Information | Aplastic Anemia & MDS International Foundation | 301.279.7202 | aamds.org | www.aamds.org

MARCH 2–8
Patient Safety Awareness Week
Patient Safety Awareness Week is an annual education and awareness campaign for healthcare safety led by the National Patient Safety Foundation (NPSF). Each year, healthcare organizations around the world take part in the event by prominently displaying the NPSF campaign logo and promotional materials within their organizations, creating awareness in the community, and utilizing NPSF educational resources with hospital staff and patients.

MARCH 9–15
Pulmonary Rehabilitation Week (National)
This observance focuses national attention on pulmonary rehabilitation’s contribution to enhancing the lives of people with chronic obstructive pulmonary disease (COPD). Special events will be held throughout the country at hospitals, exercise facilities, and outpatient rehabilitation centers.

CONTACT: American Association of Cardiovascular and Pulmonary Rehabilitation | 312.321.5146 | aacvpr@aacvpr.org | www.aacvpr.org

MARCH 10–16
Brain Awareness Week
Brain Awareness Week (BAW) is the global campaign to increase public awareness of the progress and benefits of brain research. BAW unites the efforts of universities, hospitals, K-12 schools, research labs, government agencies, and advocacy and service groups worldwide in a week-long celebration of the brain. Participating organizations sponsor lab tours, school programs, lectures, exhibits, health fairs, media efforts, and other special events.

CONTACT: Brain Awareness Week Campaign Headquarters | The Dana Alliance for Brain Initiatives | 212.401.1689 | bawinfo@dana.org | www.dana.org/baw

MARCH 12
Registered Dietitian Day
Registered Dietitian Day increases awareness of registered dietitians as the indispensable providers of food and nutrition services and recognizes registered dietitians for their commitment to helping people enjoy healthy lives.

CONTACT: Academy of Nutrition and Dietetics | nmn@eatright.org | www.eatright.org
March 16–22
Health Care Human Resources Week
This week has been set aside to commend human resources professionals who work in hospitals and nonhospital healthcare organizations across the nation. They will be recognized for the daily issues they face in areas such as workforce, compensation and benefits, employee relations, talent management, and wellness. The American Society for Healthcare Human Resources Administration (ASHHRA) encourages everyone to get involved in this week-long celebration.
CONTACT: Member Relations Department | ASHHRA | 312.422.3720 | ashhra@aha.org | www.ashhra.org

March 16–22
Poison Prevention Week (National)
National Poison Prevention Week was established by Congress in 1961 to raise awareness about how to prevent poisonings. More than two million poisonings are reported each year to the nation’s 57 poison centers, and more than 90 percent of these poisonings occur in the home. While the majority of nonfatal poisonings occur in children younger than six years old, poisoning fatalities are currently the leading cause of unintentional injury in adults.
CONTACT: Poison Prevention Week Council | 703.894.1858 | info@aapcc.org | www.aapcc.org

March 22
Walk for Epilepsy (National)
The annual National Walk for Epilepsy is a noncompetitive walk to draw awareness to a condition that affects nearly three million Americans. The event raises funds to help overcome the challenges created by epilepsy and find cures. The Epilepsy Foundation continues to lead the fight to stop seizures.
CONTACT: Special Events | Epilepsy Foundation | 866.433.9255 | walkinfo@efa.org | www.walkforepilepsy.org

March 25
American Diabetes Association Alert Day
American Diabetes Association Alert Day, which is held every fourth Tuesday in March, is a one-day wake-up call for the American public. It asks individuals to take the Diabetes Risk Test to find out if they are at risk for developing type 2 diabetes.
CONTACT: American Diabetes Association | 800.342.2383 | www.stopdiabetes.com

March 30–April 5
Root Canal Awareness Week
Root Canal Awareness Week, established by the American Association of Endodontists (AAE), was created to educate the public about misconceptions about root canal treatments and the true benefits of this virtually painless procedure, which is performed an average of 25 times each week and can have important implications for overall health. Root canal treatment saves more than 16 million natural teeth each year, making the procedure more hero than villain.
CONTACT: Public Relations Department | AAE | 800/872.3636 | info@aae.org | www.aae.org/rcaw

March 30
Doctors’ Day (National)
National Doctors’ Day recognizes society’s debt of gratitude to physicians for their contributions to enlarging the reservoir of scientific knowledge, increasing the number of scientific tools, and expanding the ability of health professionals to use both knowledge and tools effectively in the never-ending fight against disease. It also celebrates the compassion of physicians in administering to the sick and alleviating human suffering.

April
APRIL 1–30

Alcohol Awareness Month
Since 1987, the National Council on Alcoholism and Drug Dependence (NCADD) has encouraged communities to focus awareness during April on alcoholism, which is a treatable, chronic disease from which people can recover, not a moral weakness. The first weekend of the month is Alcohol Free Weekend, designed to highlight the use of alcohol and how it may be affecting society and the individual drinker.

CONTACT: Robert Lindsey | NCADD | 212.269.7797, ext. 19 | rlindsey@ncadd.org | www.ncadd.org

APRIL 1–30

Autism Awareness Month (National)
In order to highlight the growing need for concern and awareness about autism, the Autism Society has celebrated National Autism Awareness Month since the 1970s. This is a special opportunity for knowledgeable people and organizations to educate the public about autism and issues within the autism community.

CONTACT: Autism Society | 301.657.0881 | info@autism-society.org | www.autism-society.org

APRIL 1–30

Child Abuse Prevention Month
Child Abuse Prevention Month seeks to raise awareness about healthy child development and motivate the public to play a greater role in the prevention of child abuse and neglect, while encouraging local prevention activities and events throughout the country.

CONTACT: Child Welfare Information Gateway | www.childwelfare.gov/preventingpreventionmonth

APRIL 1–30

Facial Protection Month (National)
The simple act of wearing a mouth guard when playing contact sports saves tens of thousands of teeth annually, while other safety equipment such as helmets and face shields protect wearers from facial injuries. Each April, the American Association of Oral and Maxillofacial Surgeons (AAOMS), American Academy of Pediatric Dentistry, American Association of Orthodontists, Academy for Sports Dentistry, and American Dental Association team up to enhance awareness of protection from and specialized treatment for facial injuries.

CONTACT: Janie Dunham | AAOMS | 847.678.6200 | jdunham@aaoms.org | www.aaoms.org

APRIL 1–30

Foot Health Awareness Month
The aim of Foot Health Awareness Month is to encourage everyone to be mindful that foot health has an overall impact on total body health, and that a podiatrist is key to ensuring optimal foot health.

CONTACT: Angela Berard | American Podiatric Medical Association | abberard@apma.org | www.apma.org

APRIL 1–30

Hepatitis Awareness Month
During Hepatitis Awareness Month, the Hepatitis Foundation International (HFI) provides information and educational materials and conducts “train the trainer” sessions for healthcare providers and the public. The HFI is dedicated to promoting liver wellness and reducing the incidence of preventable, liver-related, chronic diseases and lifestyle choices that negatively impact the liver, including hepatitis, diabetes, obesity, substance abuse, HIV/AIDS, cardiovascular disease, fatty liver, and liver cancer. The HFI also promotes vaccination for hepatitis A and B.

CONTACT: Education Department | HFI | 301.879.6891 | info@hepatitisfoundation.org | www.hepatitisfoundation.org

APRIL 1–30

Humor Month (National)
We honor those who make us laugh, professionals and amateurs alike, as well as friends, neighbors, teachers, and relatives, including your Uncle Fred and Aunt Tillie. This is the time to share ideas about how to celebrate humor and information about the ancient roots of humor and the myriad contemporary expressions of humor. We encourage humor in everyone’s life around the world, all year long.

CONTACT: National Humor Month | 800.NOW.LAFF (669.5233) | info@humormonth.com | www.humormonth.com

APRIL 1–30

March for Babies
The March of Dimes is committed to reducing the toll of premature birth by funding research to find the answers and providing comfort and information to families who are affected. The funds raised by March for Babies events help women to have full-term pregnancies and healthy babies, reducing health costs to employers. To join March for Babies, visit our website and register in an area near you.
APRIL 1–30
**Minority Health Month (National)**
National Minority Health Month (NMHM) is held annually to raise awareness of minority health disparities and to prompt the implementation of initiatives to address these disparities during the rest of the year. NMHM is an inclusive initiative that addresses the health needs of African-Americans, Hispanics, Asians, Native Americans, Pacific Islanders, Alaskan Natives, and Native Hawaiians.

**CONTACT:** Information Specialist | Office of Minority Health | 800.444.6472 | info@minorityhealth.hhs.gov | http://minorityhealth.hhs.gov

APRIL 1–30
**Occupational Therapy Month**
Each April, occupational therapy (OT) practitioners, researchers, educators, and students host a month-long celebration of the value of OT and the profession’s dedication to helping people of all ages prevent—or live better with—illness, injury, or some form of disability. OT helps older drivers remain independent, wounded warriors with TBI and PTSD reintegrate into their communities, stroke victims relearn everyday tasks, children with autism create meaningful relationships with friends, and so much more.

**CONTACT:** Katie Riley, Media Relations | American Occupational Therapy Association | 301.652.6611 | kriley@aota.org | www.aota.org

APRIL 1–30
**Sexually Transmitted Infections Awareness Month**
There are 20 million new sexually transmitted infections each year. April is set aside to highlight education, support, and awareness of these diseases.

**CONTACT:** Fred Wyand | American Sexual Health Association | frewya@ashastd.org | www.asashexualhealth.org

APRIL 1–30
**Women’s Eye Health and Safety Month**
Hormonal changes, age, and smoking can all endanger sight in women, who often manage family health concerns. Do you know how to protect your sight? This is the time to get information on women’s and family eye-health issues.

**CONTACT:** Prevent Blindness America | 800.331.2020 | info@preventblindness.org | www.preventblindness.org

APRIL 6–12
**Healthcare Access Personnel Week (National)**
Established in 1982 to mark the anniversary of the founding of the National Association of Healthcare Access Management (NAHAM), Access Week celebrates people serving in the patient access profession. We are often the patient’s first contact, becoming the face of the entire healthcare facility, and we set every healthcare visit in motion. It all starts and ends with patient access services.

**CONTACT:** NAHAM | 202.367.1125 | info@naham.org | www.naham.org

APRIL 6–13
**Healthcare Volunteer Week (National)**
National Healthcare Volunteer Week recognizes the support that volunteers and auxiliaries provide to hospital staff, their patients, family members, and the community at the local, state, and national levels. This is the perfect occasion to focus on the many significant contributions your volunteers make on a daily basis.

**CONTACT:** Association for Healthcare Volunteer Resource Professionals | 312.422.3989 | ahvrp@aha.org | www.ahvrp.org

APRIL 7–11
**Cancer Registrars Week**
National Cancer Registrars Week (NCRW) was established by the National Cancer Registrars Association as an annual celebration to promote the amazing work of
cancer registry professionals. However, these professionals should be celebrated year-round for their incredible dedication toward quality cancer data management.

CONTACT: Director, Education & Communications | National Cancer Registrars Association | 703.299.6640 | www.ncra-usa.org

APRIL 7-13
Public Health Week (National)
Since 1995, communities across the country have celebrated National Public Health Week (NPHW) to recognize the contributions of public health and highlight issues that are important to improving the public’s health. The American Public Health Association (APHA) serves as the organizer of NPHW and develops a national campaign to educate the public, policymakers, and practitioners about issues related to that year’s theme.

CONTACT: Affiliate Affairs | APHA | 202.777.2742 | comments@apha.org | www.nphw.org

APRIL 7
Health Day (World)
World Health Day is celebrated on April 7 to mark the anniversary of the founding of the World Health Organization (WHO) in 1948. Each year a theme is selected for that highlights a priority area of concern for the WHO.

CONTACT: WHO | 716.583.0521 | gehnerm@who.int | www.who.int/world-health-day/en/

APRIL 10
Alcohol Screening Day (National)
National Alcohol Screening Day is an outreach, education, and screening program that raises awareness about alcohol misuse and refers individuals with alcohol problems for further treatment. Thousands of colleges, community-based organizations, and military installations provide the program to the public each year.

CONTACT: Katherine Cruise | Screening for Mental Health, Inc. | 781.239.0071 | kcruise@mentalhealthscreening.org | www.mentalhealthscreening.org

APRIL 11-13
Youth Service Day (Global)
Global Youth Service Day (GYSD) is an annual campaign that celebrates and mobilizes the millions of young people who improve their communities each day of the year through service and learning. Established in 1988, GYSD is the largest service event in the world and is now celebrated in more than 100 countries, where young people address the world’s most critical issues in partnership with families, schools, community and faith-based organizations, businesses, and governments.

CONTACT: Outreach Department | Youth Service America | 202.296.2992 | info@ysa.org | www.gydd.org

APRIL 12
Radiologic and Imaging Nurses Day (National)
This day recognizes those working in the specialty practice of radiologic and imaging nursing to advance the standard of care in the imaging environment.

CONTACT: Association for Radiologic and Imaging Nursing | 866.486.2762 | arin@dancyamc.com | www.arinursing.org

APRIL 16
Healthcare Decisions Day (National)
All adults can benefit from thinking about what healthcare choices they would want made on their behalf if they were unable to speak for themselves—and writing those decisions down in an advance directive so that others know what they are. National Healthcare Decisions Day is a nationwide event to encourage the public and providers to take action on advance directives.

CONTACT: Nathan Kottkamp | National Healthcare Decisions Day Initiative | 804.775.1092 | nkottkamp@mcguirewoods.com | www.nhdd.org

APRIL 16
Transplant Nurses Day
The International Transplant Nurses Society (ITNS) is committed to creating more opportunities to celebrate transplant nurses’ thoughtful and compassionate care and the ways they greatly impact patients’ lives. Transplant Nurses Day is commemorated with an annual essay contest that allows patients to nominate a transplant nurse who has made a difference in their lives.

CONTACT: Allison Begezda | ITNS | 847.375.6340 | info@itns.org | www.itns.org
APRIL 16
Voice Day (World)
World Voice Day is a celebration observed across the globe by physician specialists who treat the medical disorders that affect voice quality and allied health providers who teach voice preservation and rehabilitation for damaged voices.
CONTACT: Communications Business Unit | American Academy of Otolaryngology-Head and Neck Surgery | 703.535.3762 | newsroom@entnet.org | www.entnet.org

APRIL 17
Hemophilia Day (World)
Started in 1989, World Hemophilia Day is an international observance held annually by the World Federation of Hemophilia (WFH) to foster awareness of hemophilia and other bleeding disorders. April 17 was chosen in honor of WFH founder Frank Schnabel, who was born on that day.
CONTACT: Sarah Ford | WFH | 514.875.7944 | sford@wfh.org | www.wfh.org

APRIL 20–26
Healthcare Administrative Professionals Week
Healthcare Administrative Professionals Week promotes the professional development, leadership, value, and excellence of healthcare administrative professionals. It is set aside each year to celebrate, honor, and recognize those who create and maintain the seamless operation of healthcare organizations.
CONTACT: Association for Healthcare Administrative Professionals | 888.320.0808 | ahcap@hqtrs.com | www.ahcap.org

APRIL 20–26
Neurodiagnostic Week
Neurodiagnostic technologists provide a valuable contribution to quality patient care through recording and study of the electrical activity of the brain and nervous system. They have many areas of expertise and act as eyes and ears for specially trained physicians. The field of neurodiagnostic technology is expanding every year and so is the number of professionals who practice it. We honor and celebrate them during Neurodiagnostic Week.
CONTACT: Mandy Gist | American Society of Electroneurodiagnostic Technologists | 816.931.1120 | mandy@aset.org | www.aset.org

APRIL 21–25
Medical Laboratory Professionals Week (National)
National Medical Laboratory Professionals Week is an annual celebration of the medical laboratory professionals and pathologists who play a vital role in every aspect of healthcare but often work behind the scenes. We honor the more than 300,000 medical laboratory professionals around the country who perform and interpret more than 10 billion laboratory tests in the United States every year.
CONTACT: American Society for Clinical Pathology | www.ascp.org

APRIL 21–27
Medical Fitness Week
The goal of Medical Fitness Week is to promote an increase in physical activity levels in all ages and to highlight the medical fitness difference. During this international event, medical fitness centers and communities offer programming that focuses on teaching families the skills they need to develop healthy lifestyle habits, including health fairs, educational seminars, and open houses; many facilities choose to enter the Worldwide Walking Challenge: 70,000 Steps in 7 Days.
CONTACT: Medical Fitness Association | 804.897.5701 | admin@medicalfitness.org | www.medicalfitness.org

APRIL 30
Noise Awareness Day (International)
The Center for Hearing and Communication’s Noise Center sponsors International Noise Awareness Day each April to educate the public about the harmful effects of noise on hearing, health, and quality of life.
CONTACT: Nancy Nadler | Center for Hearing and Communication’s Noise Center | 917.305.7810 | nnadler@chchearing.org | www.chchearing.org
**MAY 1–31**

**Arthritis Awareness Month (National)**
National Arthritis Awareness Month was initiated by the Arthritis Foundation in 1972 to raise awareness and reduce the impact of arthritis, which strikes one in every five adults and some 300,000 children and is the nation’s leading cause of disability. To conquer this painful, debilitating disease, the Arthritis Foundation supports education, research, advocacy, and other vital programs and services.

**CONTACT:** Public Relations | Arthritis Foundation | 404.872.7100 | help@arthritis.org | www.arthritis.org

**MAY 1–31**

**Arthritis Walk**
The Arthritis Walk is the Arthritis Foundation’s signature event, which supports public awareness and raises funds to fight arthritis, the nation’s most common cause of disability. The Arthritis Walk is an annual event that generally takes place during the month of May in conjunction with National Arthritis Awareness Month. To find a walk in your area, visit www.arthritiswalk.org.

**CONTACT:** Public Relations | Arthritis Foundation | 404.872.7100 | help@arthritis.org | www.arthritis.org

**MAY 1–31**

**Better Hearing and Speech Month**
May is Better Hearing and Speech Month, dedicated to two essential communication tools that can be affected by medical conditions.

**CONTACT:** American Academy of Otolaryngology-Head and Neck Surgery | 703.535.3762 | newsroom@entnet.org | www.entnet.org

**MAY 1–31**

**Better Sleep Month**
Each May, Better Sleep Month is dedicated to educating consumers about the importance of sleep to health and quality of life.

**CONTACT:** Karin Mahoney | Better Sleep Council | 703.683.8371 | kmahoney@sleepproducts.org | www.bettersleep.org

**MAY 1–31**

**Bike Month (National)**
National Bike Month—designated in 1956 by the League of American Bicyclists to promote cycling, cycling education, and bike events—is the perfect time for new or returning riders to get back in the saddle and ride their bikes to work. In addition to promoting bicycling as a smart and fun means of transportation and recreation, the league provides valuable education programs, helps create better cycling environments, and works to create bicycle-friendly communities.

**CONTACT:** Carolyn Szczepanski | League of American Bicyclists | 202.822.1333 | communications@bikeleague.org | www.bikeleague.org/content/national-bikemonth

**MAY 1–31**

**Critical Care Awareness and Recognition Month (National)**
The Society of Critical Care Medicine (SCCM), partnering with the American Association of Critical-Care Nurses, the American College of Chest Physicians, the American Thoracic Society, and the American Association for Respiratory Care, recognizes the devoted professionals whose compassion and dedication to the care of the critically ill and injured have made a difference in the lives of so many patients and families. Participants are encouraged to wear blue on the third Friday in May (May 16).

**CONTACT:** Melissa Nielsen | SCCM | 847.827.7405 | mnielsen@sccm.org | www.sccm.org

**MAY 1–31**

**Employee Health and Fitness Month (Global)**
Global Employee Health and Fitness Month is dedicated to encouraging employers from all sectors—public, private, and nonprofit—to promote fitness and inspire employees and their families to be physically active on a regular basis.

**CONTACT:** National Association for Health and Fitness | 716.583.0521 | wellness@city-buffalo.org | www.physicalfitness.org

**MAY 1–31**

**Healthy Vision Month**
More than 20 million Americans suffer from severe vision loss. While not all eye diseases can be prevented, there are simple steps everyone can take to help their eyes remain healthy now and reduce their chances of vision loss in the future. Eye conditions, diseases, and injury can destroy your family’s healthy vision—preventive care is important for everyone.

MAY 1–31
High Blood Pressure Education Month (National)
High blood pressure is a serious condition that can lead to coronary heart disease, heart failure, stroke, kidney failure, and other health problems. The purpose of this observance is to increase awareness about the prevention and treatment of this life-threatening condition.
CONTACT: Health Information Center | National Heart, Lung, and Blood Institute | 301.592.8573 | nhlbiinfo@nhlbi.nih.gov | www.nhlbi.nih.gov

MAY 1–31
Huntington's Disease Awareness Month
The Huntington’s Disease Society of America (HDSA) celebrates May as a time to raise greater awareness of HD and the valuable work HD scientists and clinicians do to fight all diseases, not just neurodegenerative and genetic afflictions.
CONTACT: Fred Taubman | HDSA | 212.242.1968 | ftaubman@hdsa.org | www.hdsa.org

MAY 1–31
Liver Awareness Month
Liver Awareness Month focuses attention on the need to maintain a healthy liver through a healthy lifestyle, the types and seriousness of liver disease, and the urgency to be tested for liver disease if one has risk factors.
CONTACT: Communications Department | American Liver Foundation | 212.668.1000 | pkuchaculla@liverfoundation.org | www.liverfoundation.org or www.hepc123.liverfoundation.org

MAY 1–31
Lupus Awareness Month
Lupus Awareness Month serves as a nationwide call to action for the public to learn the early warning signs and health effects of this unpredictable and potentially fatal autoimmune disease and to rally support for those who suffer from its brutal impact. World Lupus Day (May 10, 2014) provides a forum for people living with lupus to share their personal stories and call attention to the need for new, more tolerable, and effective treatments.
CONTACT: Lupus Foundation of America | 202.349.1155 | info@lupus.org | www.lupus.org

MAY 1–31
Mental Health Month
The goal of Mental Health Month is to educate the public about mental health conditions and the importance of mental health to overall health and wellness.
CONTACT: Steve Vetzner | Mental Health America | 703.797.2588 | svetzner@mentalhealthamerica.net | www.mentalhealthamerica.net

MAY 1–31
Neurofibromatosis Awareness Month
The Children’s Tumor Foundation recognizes May as Neurofibromatosis (NF) Awareness Month to educate the public about the disorder. Neurofibromatosis is more common than cystic fibrosis, Duchenne muscular dystrophy, and Huntington’s Disease combined, yet is underrecognized by the public and underdiagnosed by the medical community. NF causes tumors to grow on nerves throughout the body and can lead to deafness, blindness, bone deformities, and certain forms of cancer.
CONTACT: Children’s Tumor Foundation | 212.344.6633 | info@ctf.org | www.ctf.org

MAY 1–31
Older Americans Month
Celebrated across the country through ceremonies, events, fairs, and other activities, Older Americans Month is a time to acknowledge the many contributions of

MAY 1–31
Oncology Nursing Month
Cancer care is truly an art—one that requires many talents and skills. Oncology nurses are caregivers with clinical knowledge and technical expertise, but they’re also teachers, listeners, and shoulders to lean on. They help people through some of the most trying times of their lives. Now it’s time to celebrate the work oncology nurses do and the difference they make.
CONTACT: Customer Service | Oncology Nursing Society | 412.859.6100 | customer.service@ons.org | www.ons.org

MAY 1–31
Osteoporosis Month (National)
Half of all women and up to one in four men over age 50 will break a bone in their lifetime due to osteoporosis. To raise awareness of osteoporosis and the steps to prevent it, the National Osteoporosis Foundation (NOF) celebrates National Osteoporosis Month each May, during which time it encourages the public to take action to build, maintain, and protect their bones at every life stage.
CONTACT: Valerie Patmintra | NOF | 202.320.6388 | valerie.patmintra@nof.org | www.nof.org

MAY 1–31
Stroke Awareness Month (National)
Since 1987, the National Stroke Association has celebrated National Stroke Awareness Month each May. The goal of the annual campaign is to raise public awareness about the full continuum of stroke and the need to manage stroke risk factors, enhance stroke symptom recognition and response, and improve the quality of life during recovery for millions of stroke survivors in the United States.
CONTACT: National Stroke Association | 303.754.0919 | info@stroke.org | www.stroke.org

MAY 1–31
Stroke Month (American)
Every 40 seconds, someone in America has a stroke. It’s the fourth leading cause of death in the United States and a leading cause of long-term disability, but stroke is also largely preventable, treatable, and beatable. American Stroke Month brings us together to heighten public awareness of stroke warning signs and risk factors.
CONTACT: Communications Department | American Stroke Association | 888.4.STROKE (478.7653) | www.strokeassociation.org

MAY 1–31
Teen Pregnancy Prevention Month (National)
Observed each May by states and communities throughout the country, National Teen Pregnancy Prevention Month seeks to involve communities in promoting and supporting effective teen pregnancy prevention initiatives.
CONTACT: Suzette Brann | Advocates for Youth | 202.419.3420 | suzette@advocatesforyouth.org | www.advocatesforyouth.org

MAY 1–31
Trauma Awareness Month (National)
The American Trauma Society (ATS) was instrumental in having May of each year designated as National Trauma Awareness Month in 1988. Since then, we have worked with other trauma organizations to develop injury prevention and trauma awareness materials for use by our members in their communities. Each year, we focus on a new issue relating to injury prevention and raising trauma awareness.
CONTACT: ATS | 800.556.7890 | info@amtrauma.org | www.amtrauma.org/programs/resources/index.aspx

MAY 1–31
Ultraviolet Awareness Month
Exposure to UV rays can burn delicate eye tissue and raise the risk of developing cataracts and cancers of the eye. Protecting your eyes from UV dangers and choosing the right sunglasses will be the topic of the month.
CONTACT: Prevent Blindness America | 800.331.2020 | info@preventblindness.org | www.preventblindness.org

MAY 2–11
Run a Mile Days (National)
National Run a Mile Days is the American Running Association’s (ARA) public outreach campaign to elementary and middle schools, as well as community groups, to increase the physical activity of youth; it is keyed to the anniversary of Roger Bannister’s record-breaking mile run on May 4, 1954. The ARA and its professional division, the American Medical Athletic Association, is seeking corporate sponsors for the campaign and community volunteer hosts for Run a Mile Days events at schools.
CONTACT: David Watt | ARA | 800.776.2732 | miler@americanrunning.org | www.runamile.org

May 12–18
**Stuttering Awareness Week (National)**
National Stuttering Awareness Week is a special nationwide commitment to educate people about this complex disorder, to work toward the prevention of stuttering in children, to let people know that help is available, and to promote research into the causes of stuttering.

**CONTACT:** Joan Warner  
The Stuttering Foundation  
800.992.9392 | info@stutteringhelp.org | www.stutteringhelp.org

May 12
**Chronic Fatigue Syndrome/Myalgic Encephalomyelitis Awareness Day (International)**
This day is designed to increase understanding about chronic fatigue syndrome (CFS), also known as myalgic encephalomyelitis (ME). Information on symptoms, diagnosis, and treatment will be widely disseminated to the media, the public, healthcare professionals, and government officials. Fewer than 20 percent of Americans with this illness have been diagnosed, so efforts in 2014 will focus on spreading the word about the impact, severity, and prevalence of ME/CFS.

**CONTACT:** Patient Alliance for Neuro-endocrine-immune Disorders Organization for Research and Advocacy (PANDORA Org)

JUNE 1–30
Aphasia Awareness Month (National)
Aphasia is an acquired communication disorder that impairs a person’s ability to process language—including speaking, understanding others, reading, and writing—but does not affect intelligence. National Aphasia Awareness Month seeks to raise awareness of this common but little-known disorder.
CONTACT: National Aphasia Association | 800.922.4622 | naa@aphasia.org | www.aphasia.org

JUNE 1–30
Cataract Awareness Month
Cataracts are the leading cause of blindness in the world. There are close to 22.3 million Americans age 40 and older with cataracts, and more than half of all Americans will have them by age 80. Prevent Blindness America will offer tips about prevention and information about surgery during June.
CONTACT: Prevent Blindness America | 800.331.2020 | info@preventblindness.org | www.preventblindness.org

JUNE 1–30
Hernia Awareness Month
Each year, approximately 750,000 Americans seek treatment for a hernia, yet experts believe that hundreds of thousands more choose to suffer in silence primarily because they fear surgery. The Hernia Resource Center focuses on providing the public with information about the latest available hernia treatments during Hernia Awareness Month.
CONTACT: C. R. Bard, Inc. | 800.HERNIAS (437.6427) | info@herniainfo.com | www.herniainfo.com

JUNE 1–30
Men’s Health Month
Anchored by National Men’s Health Week (June 10–16), a special awareness period signed into law by President Clinton in 1994, Men’s Health Month is celebrated across the country with screenings, health fairs, media appearances, and other health education and outreach activities.
CONTACT: Men’s Health Network | 202.543.6461, ext. 101 | mhw@menshealthweek.org | www.menshealthmonth.org

JUNE 1–30
Migraine and Headache Awareness Month (National)
More than 37 million people Americans have been diagnosed with migraine. Although 47 percent of the adult population experiences headache annually, these disorders are poorly recognized and inadequately treated. This is why the National Headache Foundation is standing up to “show purple” throughout June. We challenge everyone else to stand up with us, let people with migraine know they are not alone, and show unity and strength as we move forward together.
CONTACT: Mary Franklin | National Headache Foundation | 312.274.2653 | mfranklin@headaches.org | www.headaches.org

JUNE 1–30
Scleroderma Awareness Month
For more than 20 years, the Scleroderma Foundation, its chapters, and support groups have recognized June as Scleroderma Awareness Month, marking it with annual awareness and fundraising events, including governmental proclamations. We have joined the Federation of European Scleroderma Associations, and other international scleroderma organizations in recognizing June 29 as World Scleroderma Awareness Day.
CONTACT: Communications Department | Scleroderma Foundation | 800.722.4673 | crelacion@scleroderma.org | www.scleroderma.org

JUNE 1–7
Community Health Improvement Week
To raise awareness and increase understanding of community health improvement activities and the people and organizations that lead them, the Association for Community Health Improvement (ACHI), an American Hospital Association affiliate, has established Community Health Improvement Week.
CONTACT: Berna Griffin | ACHI | 312.422.2193 | communityhlth@aha.org | www.communityhlth.org

JUNE 1–7
Sun Safety Week (National)
The Center for Skin Cancer Prevention (CSCP) is dedicated to reducing the incidence of skin cancer by creating national awareness of this important health issue—the only way to change generations of behavior and lifestyles. CSCP is a Center of the Entertainment & Media Communication Institute, a division of the Entertainment Industries Council (EIC), which brings the
power and influence of the entertainment industry to bear on communication about health and social issues.

CONTACT: Skylar Jackson | CSCP | 703. 481.1414 | sjackson@eiconline.org | www.eiconline.org or http://sunsafetyalliance.org

JUNE 1

Cancer Survivors Day (National)
National Cancer Survivors Day (NCSD), now in its 27th year, is a treasured, worldwide celebration of life that is held in hundreds of communities. Participants unite to show the world that life after a cancer diagnosis can be meaningful and productive. In most areas, NCSD is traditionally observed on the first Sunday in June, although this is not always possible because of scheduling conflicts and time differences.

CONTACT: Paula Chadwell | National Cancer Survivors Day Foundation | 615.794.3006 | info@ncsd.org | www.ncsd.org

JUNE 3

Health Care Recruiter Recognition Day (National)
National Health Care Recruiter Recognition Day, which always falls on the first Tuesday in June, is a great way to promote the profession and the contribution healthcare recruiters make to their organizations each and every day.

CONTACT: National Association for Health Care Recruitment | 919.459.2167 | www.nahcr.com

JUNE 8–14

Vascular Nursing Week
The Society for Vascular Nursing (SVN) was established in 1982 to promote excellence in caring for patients with vascular disease. SVN members represent a wide scope of nursing expertise, with members practicing at the bedside in acute care settings, operating rooms, and clinics and functioning as staff nurses, advanced practice nurses, educators, and researchers. Celebrate all vascular nurses and their many accomplishments during this week in June.

CONTACT: SVN | 978.927.7800 | svn@administrare.com | www.svnnet.org

JUNE 9–15

Men’s Health Week (National)
The purpose of National Men’s Health Week (now celebrated around the globe as International Men’s Health Week) is to heighten awareness of preventable health problems and promote early detection and treatment of disease among men and boys. This is an opportunity for healthcare providers, public policymakers, the media, and individuals to encourage men and boys to seek regular medical advice and early treatment for disease and injury.

CONTACT: Men’s Health Network | 202.543.6461, ext. 101 | mhw@menshealthweek.org | www.menshealthweek.org www.imhw.org

JUNE 12–19

Nursing Assistants Day and Week (National)
National Career Nursing Assistants Week (NAW) begins on Career Nursing Assistants Day, a time to recognize the contributions of nursing assistants and other direct care workers who provide daily care in nursing homes, home care, and other long-term care settings. Projects developed for NAW are designed to continue throughout the year to address issues of care and caring.

CONTACT: Genevieve Gipson | National Network of Career Nursing Assistants | 330. 825 9342 | cnajeni@aol.com | www.cna-network.org

JUNE 16–20

Healthcare Risk Management Week
Every year, the American Society for Healthcare Risk Management (ASHRM) celebrates its profession Healthcare Risk Management (HRM) Week. This special time of year helps raise awareness about the value risk managers bring to their organizations. ASHRM develops tools, materials, resources, and more to assist organizations that wish to hold their own celebrations, including a special HRM Week Webinar offered as a lunch-and-learn event.

CONTACT: ASHRM | 312.422.3986 | ashrm@aha.org | www.ashrm.org

JUNE 22–28

Helen Keller Deaf-Blind Awareness Week
Helen Keller Deaf-Blind Awareness Week celebrates the diversity and accomplishments of the deaf-blind community and reminds the public that people who are deaf-blind can overcome and conquer challenges with the right information, resources, and services. The Helen Keller National Center for Deaf-Blind Youths and Adults in Sands Point, New York, assists people who are deaf-blind, their families, and service providers.

CONTACT: Information Services | Helen Keller National Center for Deaf-Blind Youths and Adults | 516.944.8900, ext. 310 | info@helenkeller.org | www.hknc.org
**JULY 1–31**

**Cord Blood Awareness Month**
The goal of Cord Blood Awareness Month is to raise awareness of the medical value of newborn stem cells from umbilical cord blood, which have been used successfully for more than 20 years with demonstrated safety and efficacy to treat over 80 diseases. By providing balanced information on the cord blood options of public donation, family storage, or discarding, we strive to empower individuals to make an informed choice regarding their family’s future health.

**CONTACT:** Frances Verter, PhD | Parent’s Guide to Cord Blood Foundation | info@parentsguidecordblood.org | http://parentsguidecordblood.org

**JULY 1–31**

**Fireworks Safety Month**
Activities during this period will alert parents and children to the dangers of playing with fireworks. Prevent Blindness America will offer safer ways to celebrate the Fourth of July.

**CONTACT:** Prevent Blindness America | 800.331.2020 | info@preventblindness.org | www.preventblindness.org

**JULY 1–31**

**Juvenile Arthritis Awareness Month**
Juvenile arthritis affects nearly 300,000 children in the United States. Juvenile Arthritis Awareness Month spotlights this disease in an effort to educate the public about the seriousness of arthritis in kids and its impact on the lives of children, teens, and families.

**CONTACT:** Public Relations | Arthritis Foundation | 404.872.7100 | help@arthritis.org | www.arthritis.org

**JULY 16–19**

**Nurses in Staff Development Week**
This week advances the specialty practice of nursing staff development for the enhancement of high-quality healthcare outcomes.

**CONTACT:** National Nursing Staff Development Organization | 800.489.1995 | nnsdo@dancyamc.com | www.nnsdo.org

**JULY 20–26**

**Healthcare Hospitality Week**
Thousands of families and patients of all ages and walks of life have found a haven within the warm, home-like environments provided by hospitality houses and host home programs. Homes that help and heal have become community assets that bring added value to the hospitals and medical centers whose thousands of patients and families are served annually.

**CONTACT:** Healthcare Hospitality Network | 800.542.9730 | helpinghomes@nahhh.org | www.nahhh.org

**JULY 28**

**Hepatitis Day (World)**
World Hepatitis Day is observed on July 28 every year to raise awareness of viral hepatitis and to encourage prevention and treatment.

**CONTACT:** Communications Department | American Liver Foundation | 212.668.1000 | pkuchaculla@liverfoundation.org | www.liverfoundation.org or www.hepc123.liverfoundation.org

Spinal Muscular Atrophy Awareness Month  

**WEEK-LONG OBSERVANCES**  
10–16 Health Center Week (National)  

**RECOGNITION DAYS | EVENTS**  
3 KidsDay (National)  
23 Health Unit Coordinator Day  

---

**AUGUST 1–31**  
**Cataract Awareness Month**  
Cataracts are a common cause of vision loss, especially as we age, but they are treatable. The American Academy of Ophthalmology (AAO) now recommends that adults without signs or risk factors for eye disease get a baseline eye disease screening at age 40, the time when early signs of disease and changes in vision may start to occur.  
**CONTACT:** Communications Division | AAO | 415.447.0258 eyemd@aoa.org | www.geteyesmart.org

**AUGUST 1–31**  
**Children’s Eye Health and Safety Month**  
Prevent Blindness America will feature information about amblyopia, a condition that can affect two to three percent of children and cause permanent vision loss. We will also provide tips about preventing eye injuries in children, signs of possible eye problems, and general eye health.  
**CONTACT:** Prevent Blindness America | 800.331.2020 info@preventblindness.org | www.preventblindness.org

**AUGUST 1–31**  
**Neurosurgery Outreach Month**  
Although most people think of them as brain surgeons, neurosurgeons actually spend a lot of their time providing surgical and nonsurgical care for patients with back and neck problems. They also are leaders in diagnosing and treating head and neck injuries, including traumatic brain injuries and concussions. The focus this year’s public outreach campaign is on the vital role neurosurgical practitioners play in ensuring patient safety.  
**CONTACT:** Department of Member and Public Outreach | American Association of Neurological Surgeons | 847.378.0500 eyemd@aans.org

**AUGUST 1–31**  
**Psoriasis Awareness Month**  
Each August, the National Psoriasis Foundation sponsors Psoriasis Awareness Month, dedicated to raising awareness about psoriasis, educating the public, and dispelling myths about the disease. Psoriasis is the most common autoimmune disease in the country, affecting 7.5 million Americans. It appears on the skin, often as red, scaly patches that itch, crack, and bleed. Up to 30 percent of people with psoriasis develop psoriatic arthritis, an inflammatory joint and tendon disease.  
**CONTACT:** National Psoriasis Foundation | 800.723.9166 getinfo@psoriasis.org | www.psoriasis.org

**AUGUST 1–31**  
**Spinal Muscular Atrophy Awareness Month**  
Families of Spinal Muscular Atrophy (SMA) is dedicated to finding a treatment and cure by funding and advancing a comprehensive research program; supporting SMA families through networking, information, and services; improving care for all SMA patients; educating health professionals and the public about SMA; enlisting government support for SMA; and embracing all touched by SMA in a caring community.  
**CONTACT:** Colleen McCarthy O’Toole | Families of SMA | 800.886.1762 info@fsma.org | www.curesma.org

**AUGUST 3**  
**KidsDay (National)**  
National KidsDay was created in 1994 by KidsPeace to encourage adults—parents, grandparents, relatives, neighbors, teachers, and other caregivers—to spend more meaningful time with children. In this way, we can build a nation of strong, resilient, happy children who know that they are loved by caring adults and can enjoy just being kids.  
**CONTACT:** Director of Public Relations | KidsPeace | 610.799.7797 bevin.theodore@kidspeace.org | www.kidspeace.org

**AUGUST 10–16**  
**Health Center Week (National)**  
The second full week of August each year is dedicated to recognizing the service and contributions of community, migrant, homeless, and public housing health centers in providing access to affordable, high-quality, cost-effective healthcare for medically vulnerable and underserved people.  
**CONTACT:** National Association of Community Health Centers grassroots@nachc.com | www.healthcenterweek.org

**AUGUST 23**  
**Health Unit Coordinator Day**  
Each year since 1980, August 23 has been declared Health Unit Coordinator Day by many mayors and governors nationwide. The National Association of Health Unit Coordinators (NAHUC), Inc. is dedicated to promoting health unit coordinating as a profession through education, certification, and compliance with the NAHUC standards of practice, standards of education, and code of ethics.  
**CONTACT:** NAHUC | 815.633.4351 office@nahuc.org | www.nahuc.org

SEPTEMBER 1–30
Baby Safety Month
September is Baby Safety Month, sponsored annually by the Juvenile Products Manufacturers Association (JPMA). JPMA helps educate parents and caregivers on the importance of safely using juvenile products such as car seats, cribs, and other baby gear.
CONTACT: JPMA | jpma@jpma.org | www.babysafetymonth.org

SEPTEMBER 1–30
Cholesterol Education Month (National)
To know their cholesterol status, all adults should have their cholesterol measured, learn their cholesterol numbers and their risk for heart disease, and follow a heart-healthy lifestyle to lower their risk and keep it down.
CONTACT: Health Information Center | National Heart, Lung and Blood Institute | 301.592.8573 | nhlbiinfo@nhlbi.nih.gov | www.nhlbi.nih.gov

SEPTEMBER 1–30
Craniofacial Acceptance Month
Craniofacial Acceptance Month seeks to widen the circle of acceptance for individuals with facial differences. The goal is to create awareness that “beyond the face is a heart.”
CONTACT: Annie Reeves | Children’s Craniofacial Association | 800.535.3643 | areeves@ccakids.com | www.ccakids.org

SEPTEMBER 1–30
Gynecologic Cancer Awareness Month
During Gynecologic Cancer Awareness Month, the Foundation for Women’s Cancer promotes awareness of the risks, prevention, early detection, and optimal treatment of gynecologic cancers, including cervical cancer, endometrial or uterine cancer, and ovarian cancer. We urge women who suspect or have been diagnosed with a gynecologic cancer to seek care first from a gynecologic oncologist.
CONTACT: Marsha Wilson | Foundation for Women’s Cancer | 312.578.1439 | info@foundationforwomenscancer.org | www.wcn.org

SEPTEMBER 1–30
Healthy Aging Month
Healthy Aging Month is an annual observance focusing national attention on the positive aspects of growing older. The main objective is to encourage local wellness events that promote taking personal responsibility for one’s health—physically, socially, mentally, and financially.
CONTACT: Information Specialist | Healthy Aging | 610.793.0979 | info@healthyaging.net | www.healthyaging.net

SEPTEMBER 1–30
Leukemia, Lymphoma and Myeloma Awareness Month
The Leukemia & Lymphoma Society (LLS) is a beacon of help and guidance to those touched by blood cancer. Each September, LLS observes Leukemia, Lymphoma and Myeloma Awareness Month to shed light on these diseases and let the public know that there are resources available for blood cancer patients and their families.
CONTACT: Information Resource Center | LLS | 800.955.4572 | infocenter@lls.org | www.lls.org

SEPTEMBER 1–30
Pain Awareness Month
First established in 2001 by the American Chronic Pain Association (ACPA), Pain Awareness Month is a time when various organizations work to raise public awareness of issues in the area of pain and pain management. Eighty healthcare professional and consumer organizations, including the NAACP, support ACPA’s Partners for Understanding Pain.
CONTACT: Penney Cowan | ACPA | 800.533.3231 | acpa@theacpa.org | http://theacpa.org/Pain-Awareness

SEPTEMBER 1–30
Prostate Cancer Awareness Month
Each September, the Prostate Conditions Education Council organizes hundreds of free or low-cost screening events across the nation and now, worldwide. As a result of our efforts, nearly five million men have received early detection screenings for prostate cancer and other prostate conditions. Many of our screening sites screen not only for PSA and DRE, but other men’s health issues as well.
CONTACT: Renee Savickas | Prostate Conditions Education Council | 303.999.2574 | renee.savickas@prostateconditions.org | www.prostateconditions.org

SEPTEMBER 1–30
Prostate Health Awareness Month
Prostate Health Month seeks to increase public awareness of the importance of prostate health and encourage communities to provide easily accessible prostate health screenings. The Urology Care Foundation
also advocates for education about risk factors and symptoms of prostate-related diseases (enlarged prostate, cancer, and prostatitis) and for further research in prostate health.

CONTACT: Urology Care Foundation | 800.828.7866 | info@urologycarefoundation.org | www.urologyhealth.org

SEPTEMBER 1–30
Reye’s Syndrome Awareness Month
Reye’s Syndrome, a deadly disease, strikes swiftly and can attack any child, teen, or adult without warning. All body organs are affected, the liver and brain most seriously. While the cause and cure remain unknown, research has established a link between Reye’s Syndrome and the use of aspirin and other salicylates containing medications and over the counter products. Visit www.reyessyndrome.org/schools.html for free awareness and education packages.

CONTACT: National Reye’s Syndrome Foundation | 800.233.7393 | nrsf@reyessyndrome.org | www.reyessyndrome.org

SEPTEMBER 1–30
Sports Eye Safety Month
There are thousands of eye injuries a year related to sports. Check out tips on how to protect yourself and your children.

CONTACT: Prevent Blindness America | 800.331.2020 | info@preventblindness.org | www.preventblindness.org

SEPTEMBER 1–30
Thyroid Cancer Awareness Month
Thyroid Cancer Awareness Month is sponsored by ThyCa: Thyroid Cancer Survivors’ Association to educate the public about thyroid cancer, which has increased in incidence. The event focuses on the importance of early detection, treatment, lifelong monitoring, and the resources available for people with thyroid cancer and their families.

CONTACT: Publications Department | ThyCa | 877.588.7904 | thyca@thyca.org | www.thyca.org

SEPTEMBER 7–13
Suicide Prevention Week (National)
Suicide is a major public health concern, claiming more than 38,000 lives in the United States each year. Suicidal behavior affects individuals of all ages, genders, races, and religions.

CONTACT: Justin Ferrese | American Association of Suicidology | 202.237.2280 | info@suicidology.org | www.suicidology.org

SEPTEMBER 7
Grandparents Day (National)
National Grandparents Day falls on the first Sunday after Labor Day every year. It was founded for the purpose of enhancing the bond of love between grandparents and grandchildren and heightening awareness of the needs of the elderly in nursing homes. The Forget-Me-Not program encourages classrooms to “adopt” residents of nursing homes and bring them entertainment on Grandparents Day. The motto of the holiday is “Make Every Day Grandparents Day!”

CONTACT: National Grandparents Council | 619.585.8259 | djm@grandparents-day.com | www.grandparents-day.com

SEPTEMBER 8–14
Environmental Services and Housekeeping Week
The Association for the Healthcare Environment (AHE) celebrates Environmental Services and Housekeeping Week not just for the directors, leaders, and supervisors of environmental services teams in all healthcare facilities around the world.

CONTACT: AHE | 312.422.3860 | ahe@aha.org | www.aha.org

SEPTEMBER 14–18
Nephrology Nurses Week
To honor the dedicated nephrology nurses who care for patients with kidney disease, the American Nephrology Nurses’ Association (ANNA) has designated the second full week in September each year as Nephrology Nurses Week. Employers and others are encouraged to take this opportunity to recognize and reward nephrology nurses for their work and dedication.

CONTACT: ANNA | 888.600.2662 | anna@ajn.com | www.annanurse.org

SEPTEMBER 10
Youth Suicide Prevention Day (National)
According to the most recent data available (2010), suicide was the third leading cause of death for 15–24 year olds in the United States, killing 4,600 youths that year.
September

CONTACT: Amy Kulp | National Center for the Prevention of Youth Suicide | 202.237.2280 | ajkulp@suicidology.org | www.preventyouthsuicide.org

**SEPTEMBER 14–20**

**Child Passenger Safety Week**

Every year, thousands of children are tragically injured or killed in vehicle crashes. In fact, it is a leading cause of death for children ages 1 to 13. Child Passenger Safety Week focuses on keeping America’s children safer on the road. September 20 marks National Seat Check Saturday, a day when communities nationwide offer free car seat checks by certified child passenger safety technicians.

**SEPTEMBER 14–20**

**Surgical Technologist Week (National)**

National Surgical Technology Week provides a great opportunity to educate the general public about the role of the surgical technologist (ST). Many people have never heard of the profession, let alone what STs do in the operating room on a day-to-day basis. Make those around you aware of the significance of STs and advocate for the advancement of supportive legislation across the country.

CONTACT: Member Services | Association of Surgical Technologists | 800.637.7433, option 3 | memserv@ast.org | www.ast.org

**SEPTEMBER 15**

**Neonatal Nurses Day**

Neonatal Nurses Day provides an opportunity to celebrate the accomplishments of individual neonatal nurses and the National Association of Neonatal Nurses (NANN) community.

CONTACT: Emily Petraglia | NANN | 800.451.3795 | www.nann.org

**SEPTEMBER 17**

**School Backpack Awareness Day (National)**

How much does your child’s backpack weigh? Chances are, it’s more than the recommended 10 percent of his or her body weight. Occupational therapists, occupational therapy assistants, and students teach others how to properly choose, pack, lift, and carry various types of bags—including backpacks, purses, briefcases, and suitcases—to prevent pain and injury.

CONTACT: Katie Riley, Media Relations | American Occupational Therapy Association | 301.652.6611 | kriley@aota.org | www.aota.org

**SEPTEMBER 20**

**Seat Check Saturday (National)**

On Saturday, September 20, 2014—the last day of Child Passenger Safety Week—communities nationwide will offer free car seat checks. Stop by a local event to have a certified child passenger safety technician check your child’s safety seat to ensure it is properly installed and get tips on how to secure your child in the seat for optimal protection.

**SEPTEMBER 21–27**

**Farm Safety and Health Week (National)**

Every sitting US president since Franklin D. Roosevelt has signed a proclamation recognizing the importance of keeping our nation’s production agricultural workers safe and healthy. Agriculture employs about two percent of the nation’s workforce and consistently ranks in the top three industries for work-related injuries and death. The third full week in September is National Farm Safety and Health Week and focuses on protecting farm workers and their families.

CONTACT: Charlotte Halverson | National Education Center for Agricultural Safety | 563.557.0354 | halversc@nicc.edu | www.necasag.org

**SEPTEMBER 21–27**

**Hearing Aid Awareness Week**

Insufficient consumer awareness of state-of-the-art hearing instrument technology and a general tendency to deny the presence of a hearing problem motivated the International Hearing Society to dedicate an entire week to public education about the hearing help available to those in need. Hearing Aid Awareness week started in 1995 and is celebrated nationally.

CONTACT: Kara Nacarato | International Hearing Society | 734.522.7200 | interact@ihsinfo.org | www.ihsinfo.org

**SEPTEMBER 24**

**Women’s Health and Fitness Day (National)**

National Women’s Health & Fitness Day is the nation’s largest women’s health and wellness event, always held the last
Wednesday in September. More than 800 organizations will host local women’s health events, with more than 80,000 women of all ages attending these events across the country on the same day. Organizations interested in participating must register in order to legally use the event name and logo, which are federal trademarks.

CONTACT: Gary Ford | Health Information Resource Center | 800.828.8225 | gford@fitnessday.com | www.fitnessday.com

**SEPTEMBER 27**

**Family Health and Fitness Day—USA**

Family Health and Fitness Day—USA is the nation’s largest family health promotion event. Now in its 18th year, the event is always held on the last Saturday in September. Thousands of families will participate in local health and wellness events hosted by more than 600 organizations across the country on the same day. Organizations interested in participating must register in order to legally use the event name and logo, which are federal trademarks.

CONTACT: Gary Ford | Health Information Resource Center | 800.828.8225 | gford@fitnessday.com | www.fitnessday.com

**SEPTEMBER 28–OCTOBER 4**

**Gerontological Nursing Week**

This week promotes the specialty practice of gerontological nursing to improve the care and well-being of older adults.

CONTACT: Brian Doty | National Gerontological Nursing Association | 800.723.0560 | info@ngna.org | www.ngna.org

WEEK-LONG OBSERVANCES

OCTOBER 1-31
Breast Cancer Awareness Month (National)
National Breast Cancer Awareness Month is committed to increasing awareness of breast cancer issues, including early detection, and encouraging women to take charge of their own breast health by practicing regular breast self-exams, scheduling annual mammograms, adhering to prescribed treatment, and knowing the facts about recurrence.

CONTACT: www.nationalbreastcancer.org/breast-cancer-awareness-month

OCTOBER 1-31
Chiropractic Health Month (National)
Each October during National Chiropractic Health Month, the American Chiropractic Association (ACA), along with doctors of chiropractic nationwide, will educate consumers about chiropractic and its relationship to the preservation of good health. Planned activities will highlight doctors of chiropractic as effective healthcare providers who are important members of a patient’s healthcare team.

CONTACT: Communications Department | ACA | 703.276.8800 | communications@acatoday.org | www.acatoday.org

OCTOBER 1-31
Dental Hygiene Month (National)
The purpose of National Dental Hygiene Month is to increase public awareness about the importance of preventive services in maintaining good oral hygiene and to encourage people to develop and maintain a daily oral health routine.

CONTACT: Communications Division | American Dental Hygienists’ Association | 312.440.8900 | media@adha.net | www.adha.org

OCTOBER 1-31
Disability Employment Awareness Month (National)
National Disability Employment Awareness Month is a culmination of year-long efforts by the Office of Disability Employment Policy to raise awareness about the value of employing people with disabilities and about their contributions to the workplace. Working along a common theme, communities throughout the nation plan announcements and activities, including proclamations, public awareness programs, and job fairs that enhance understanding, create opportunities, or showcase the abilities and talents of workers with disabilities.

CONTACT: Helen Osborne | Health Literacy Consulting | 508.653.1199 | helen@healthliteracy.com | www.healthliteracymonth.org

OCTOBER 1-31
Home Eye Safety Month
Approximately half of all eye injuries occur in or around the home. Information will be provided on how to keep the eyes safe while at home.

CONTACT: Prevent Blindness America | 800.331.2020 | info@preventblindness.org | www.preventblindness.org

OCTOBER 1-31
Domestic Violence Awareness Month
Domestic Violence Awareness Month, first observed in 1987, evolved from the “Day of Unity” held in October 1981 and conceived by the National Coalition Against Domestic Violence. The intent was to connect advocates across the nation who were working to end violence against women and their children. The Day of Unity soon became an entire week, and later month, devoted to a range of activities conducted at the local, state, and national levels.

CONTACT: National Resource Center on Domestic Violence and the Domestic Violence Awareness Project | 800.537.2238 | nrcdvtacnrcdv.org | www.nrcdv.org/dvam

OCTOBER 1-31
Eye Injury Prevention Month
Annually, 2.5 million Americans suffer eye injuries, more than 52 percent of them occurring at home. Accidental eye injury is the leading cause of visual impairment, and 90 percent of these injuries could be prevented if individuals wore protective eyewear with “ANSI Z87.1” marked on the frame or lens.

OCTOBER 1-31
Health Literacy Month
Be a Health Literacy Hero! Join with advocates worldwide to raise awareness about the need for understandable health information. And then take action to improve how we communicate about health. Together we can, and do, make a difference.

CONTACT: Helen Osborne | Health Literacy Consulting | 508.653.1199 | helen@healthliteracy.com | www.healthliteracymonth.org
**OCTOBER 1–31**

**Medical Librarians Month (National)**
The Medical Library Association (MLA) created the National Medical Librarians Month (NMLM) observance to raise awareness of the important role of the health sciences information professional. Patients and others in the healthcare community need the specialized services that medical librarians provide now more than ever before. Each year, MLA also conducts the Creative Promotion Award Contest in honor of NMLM.

**CONTACT:** Tomi Gunn | MLA | 312.419.9094 | info@mlahq.org | www.mlanet.org

**OCTOBER 1–31**

**Medical Ultrasound Awareness Month**
Celebrate Sonography! Every October, the Society of Diagnostic Medical Sonography (SDMS) and other sonography organizations join together to promote Medical Ultrasound Awareness Month to increase the public’s knowledge about sonography. Products and a media kit are available to help you promote sonography awareness in your workplace and community.

**CONTACT:** SDMS | 214.473.8057 | www.sdms.org/resources/muam/default.asp

**OCTOBER 1–31**

**Patient-Centered Care Awareness Month**
Planetree invites healthcare organizations to showcase their patient-centered approaches to care by communicating with stakeholders, including media and the community. An online toolkit with logo, press release templates, proclamation, and educational resources can be downloaded for free at our website.

**CONTACT:** Danielle Swift | Planetree | 203.732.1365 | dsswift@planetree.org | www.planetree.org

**OCTOBER 1–31**

**Pharmacists Month (American)**
American Pharmacists Month is a time to recognize pharmacists for the vital contributions they make to healthcare in the United States as medication experts and as integral parts of the healthcare team. It also aims to educate the public, policymakers, and other healthcare professionals about the key role pharmacists play in the reduction of overall healthcare costs and the safe and effective management of medications.

**CONTACT:** American Pharmacists Association | 202.628.4410 | aphm@aphanet.org | www.pharmacist.com

**OCTOBER 1–31**

**Physical Therapy Month (National)**
National Physical Therapy Month is hosted by the American Physical Therapy Association each October to celebrate the important roles that physical therapists and physical therapist assistants play in restoring and improving motion in people's lives.

**CONTACT:** American Physical Therapy Association | www.moveforwardpt.com

**OCTOBER 1–31**

**SIDS, Pregnancy and Infant Loss Awareness Month**
During this month, take time to acknowledge the families that have been affected by SIDS, stillbirth, and sudden unexpected infant death (SUID). First Candle focuses on continuing our mission to provide education, research, advocacy, and training to ensure every baby survives and thrives to his/her first birthday and beyond.

**CONTACT:** First Candle | 443.640.1049 | info@firstcandle.org | www.firstcandle.org

**OCTOBER 1–31**

**Talk About Prescriptions Month**
October 2014 will be the National Council on Patient Information and Education’s 29th annual “Talk About Prescriptions” Month observance. The goal is to stimulate public attention to the role that high quality communication can play in promoting safe and appropriate medicine use, improved medication adherence, and better health outcomes.

**CONTACT:** Ray Bullman | National Council on Patient Information and Education | 301.340.3940 | bullman@ncpie.info | www.talkaboutrx.org

**OCTOBER 5–11**

**Emergency Nurses Week**
Emergency Nurses Week is a national celebration of the hardworking nursing professionals who stand ready 24 hours a day to care for those people most in need.

**CONTACT:** Marketing | Emergency Nurses Association | www.ena.org

**OCTOBER 5–11**

**Mental Illness Awareness Week**
Held each year during the first full week of October, Mental Illness Awareness Week consists of grassroots observances to promote broader public awareness and understanding of mental illness, elimination of stigma, and support for treatment and recovery. Local events are diverse, including, for example, walks, candlelight vigils, speakers, or films. It is a good time for media...
to run stories about mental health conditions as well as the experiences of individuals and families.

CONTACT: Bob Carolla | National Alliance on Mental Illness | 703.524.7600 | bobicnami.org | www.nami.org/mai

**OCTOBER 5-11**

**Midwifery Week (National)**
National Midwifery Week is a time for midwives and the women they serve to celebrate midwives’ contributions to women’s healthcare, including pregnancy, childbirth, and gynecologic and reproductive health.

CONTACT: American College of Nurse-Midwives | 240.485.1800 | info@acnm.org | www.acnm.org

**OCTOBER 5-11**

**Nuclear Medicine and Molecular Imaging Week**
Each year, the Society of Nuclear Medicine and Molecular Imaging and its Technologist Section join forces with the nuclear medicine and molecular imaging community to gain recognition and support for the field. Celebrated during the first full week of October, the event encourages community members to take pride in their profession—recognizing their colleagues for their hard work and promoting nuclear medicine to the entire medical community as well as to the public.

CONTACT: Joanna Spahr | Society of Nuclear Medicine and Molecular Imaging | 703.652.6785 | jsphar@snmni.org | www.snmmi.org/nmww

**OCTOBER 6-12**

**Healthcare Supply Chain Week (National)**
National Healthcare Supply Chain Week is an opportunity to recognize and honor supply chain professionals and departments for their exceptional contributions to the success of healthcare organizations.

CONTACT: Association for Healthcare Resource & Materials Management | 312.422.3840 | ahrmm@aha.org | www.ahrmm.org

**OCTOBER 6-12**

**Physician Assistants Week**
National Physician Assistants Week (PA) Week is intended to support, celebrate, and recognize PAs and the important roles they play in increasing access to high-quality healthcare. PAs are nationally certified and state-licensed to practice medicine and are valuable members of the healthcare team, and this is the time for PAs, employers and PA students to raise awareness of the profession and salute its outstanding growth and future.

CONTACT: American Academy of Physician Assistants | 703.836.2272 | www.aapa.org/paweek

**OCTOBER 6-13**

**Stop America’s Violence Everywhere (SAVE) Today**
Although the SAVE campaign is a year-round effort, the American Medical Association (AMA) Alliance celebrates SAVE today on the second Wednesday in October. It is a day when physicians’ spouses across the country work together to reduce violence. Many state and county alliances use SAVE Today to kick off new elements of their SAVE projects, such as working with a new school or a new age group.

CONTACT: Executive Staff Associate | AMA Alliance | 800.549.4619 | www.ama alliance.org

**OCTOBER 10**

**Depression Screening Day (National)**
National Depression Screening Day is the nation’s oldest, voluntary, community-based
screening program for depression and related mood and anxiety disorders. The event gives people access to a validated screening questionnaire and provides referral information for treatment.

CONTACT: Katherine Cruise | Screening for Mental Health, Inc. | 781.239.0071 | kcruse@mentalhealthscreening.org | www.mentalhealthscreening.org

OCTOBER 12-15
SHSMD Connections Annual Conference
Healthcare marketing, planning, and communications/public relations professionals will gather in San Diego for SHSMD Connections 2014, the nation’s biggest and best education and networking event for healthcare strategy professionals. Visit www.shsmd.org for details and to register.

CONTACT: Society for Healthcare Strategy and Market Development (SHSMD) | 312.422.3888 | shsmd@aha.org

OCTOBER 12-18
Case Management Week (National)
National Case Management Week (NCMW) recognizes the dedication, compassion, and patient-care outcomes achieved by hospital case managers. The American Case Management Association (ACMA) encourages you to use NCMW to celebrate with your team and honor case management’s achievements within healthcare.

CONTACT: ACMA | 501.907.2262 | theacma@acmaweb.org | www.acmaweb.org/cmweek

OCTOBER 12-18 (TENTATIVE)
Healthcare Security and Safety Week
Healthcare security and safety officers set the standard for providing safety in organizations. Their professionalism provides comfort in often uneasy times. This week is the opportunity to say thank you for everything they do.

CONTACT: Evelyn Meserve | International Association for Healthcare Security and Safety | 888.353.0990 | evelyn@iahss.org | www.iahss.org

OCTOBER 12-19
Central Service Week
Thanks to their tireless dedication, due diligence, dependable equipment/process monitoring, and unwavering adherence to industry standards and best practices, central service professionals make it possible for patients to count on sterile instruments being delivered consistently when needed, for surgeries to be performed without delay, and for patient safety to be observed at all times. Central Service Week recognizes these committed specialists that fill central service departments and make a difference in patient care throughout the United States.

CONTACT: International Association of Healthcare Central Service Materiel Management | www.iahcsmm.org

OCTOBER 12
Arthritis Day (World)
World Arthritis Day, established in 1996, is observed each year on October 12. Coordinated in the United States by the Arthritis Foundation, the event joins together people with rheumatic and musculoskeletal diseases from around the world to raise awareness and reduce the impact of arthritis.

CONTACT: Public Relations | Arthritis Foundation | 404.872.7100 | help@arthritis.org | www.arthritis.org

OCTOBER 13-17
Dialysis Technician Recognition Week (National)
This week-long event is celebrated to increase awareness of nephrology professionals involved in patient care, dialyzer reuse, equipment maintenance, kidney transplantation, and administration. It recognizes the contributions dialysis professionals make to the healthcare field and to their patients’ quality of life.

CONTACT: National Association of Dialysis Technicians/Technologists | 877.607.NANT (6268) | nant@meinet.com | www.dialysisitech.net

OCTOBER 19–25
Hospital and Health-System Pharmacy Week (National)
National Hospital and Health-System Pharmacy Week acknowledges the invaluable contributions that pharmacists and technicians make to patient care in...
our nation’s healthcare institutions. It is an ideal time for pharmacy departments to recognize and celebrate their achievements in ensuring safe and effective medication use in their institutions, and to share those accomplishments with patients, other health professionals, and the community.

CONTACT: Aretha Hankinson | American Society of Health-System Pharmacists | 301.664.8799 | publicinfo@ashp.org | www.ashp.org/pharmweek

OCTOBER 19–25
Health Care Facilities and Engineering Week (National)
This observance recognizes the important role that healthcare facility managers and engineers play in ensuring safe and functional environments for all patients, visitors, and staff. The contributions made by these individuals are critical to the healthcare team and in optimizing the healthcare physical environment.

CONTACT: American Society for Healthcare Engineering | 312.422.3800 | ashe@aha.org | www.ashe.org

OCTOBER 19–25
Infection Prevention Week (International)
International Infection Prevention Week provides a focal point for infection preventionists, consumers, healthcare professionals, organizations, and industry partners to shine a light on infection prevention and its power to save lives. October is seen as the kick off for a year-round campaign to bring infection prevention awareness to the public and healthcare professionals around the globe.

CONTACT: Education Department | Association for Professionals in Infection Control and Epidemiology | 202.789.1890 | education@apic.org | www.apic.org/iipw

OCTOBER 19–25
Pastoral Care Week
Pastoral Care Week provides opportunities for organizations and institutions of all kinds to recognize the spiritual caregivers in their midst and the ministry they provide.

CONTACT: Chaplain Linda Walsh-Garrison | COMISS Network: The Coalition on Ministry in Specialized Settings | 917.597.6319 | revlindawalsh@yahoo.com | www.pastoralcareweek.org

OCTOBER 19–25
Respiratory Care Week (National)
During National Respiratory Care Week, respiratory therapists celebrate their fast-growing profession while raising understanding of lung health. Local events include lung health education programs aimed at encouraging early detection of lung disease, particularly asthma and chronic obstructive pulmonary disease.

CONTACT: American Association for Respiratory Care | 972.243.2272 | info@aarc.org | www.aarc.org

OCTOBER 20–24
Medical Assistants Recognition Week
Registered Medical Assistants and the American Medical Technologists (AMT) will be celebrating Medical Assistants Recognition Week this week. Please join us in promoting this important event that recognizes medical assisting’s vital role, contributions, and efforts in healthcare and help us begin raising awareness of the profession today.

CONTACT: Cathie Casey | AMT | 847.823.5169 | mail@americanmedtech.org | www.americanmedtech.org

OCTOBER 20–24
Nuclear Science Week (National)
National Nuclear Science Week is a broadly observed celebration to focus local, regional, and national interest on all aspects of nuclear science. Each day will provide learning about the contributions, innovations, and opportunities that can be found by exploring nuclear science.

OCTOBER 20–24
School Bus Safety Week (National)
National School Bus Safety Week is an active, evolving, and successful public education program designed to promote and encourage school bus safety. Thousands of school districts in most states participate in the poster contest and even more support the general principles of improved school bus safety.

CONTACT: Lynn Martin | National Association for Pupil Transportation | 800.989.6278 | lynn.martin@napt.org | www.napt.org

OCTOBER 22
Lung Health Day
Lung Health Day is celebrated on Wednesday of Respiratory Care Week to promote the importance of lung health and build awareness about diseases and conditions that adversely affect lungs. Respiratory care professionals plan special events that reach out to neighbors, family, friends, businesses, and community leaders to teach them what it takes to maintain...
strong lung health.
CONTACT: American Association for Respiratory Care | 972.243.2272 | info@aarc.org | www.aarc.org

OCTOBER 22
Stuttering Awareness Day
(International)
International Stuttering Awareness Day is a special time to educate both the public and professionals about stuttering and the many effective options available for those who stutter.
CONTACT: Joan Warner | The Stuttering Foundation | 800.992.9392 | info@stutteringhelp.org | www.stutteringhelp.org

OCTOBER 23–31
Red Ribbon Week (National)
National Red Ribbon Week, celebrated by an estimated 80 million people in homes, schools, and communities across the United States, is the oldest and largest drug prevention program in the nation. Sponsored by the National Family Partnership, Red Ribbon Week began in 1985 when people began wearing red ribbons to symbolize a drug-free lifestyle after the tragic and brutal death of DEA agent Kiki Camarena in Mexico.
CONTACT: The National Family Partnership | 305.856.4886 | redribbon@nfp.org | www.redribbon.org

OCTOBER 27
Lock Your Meds Day
Lock Your Meds Day is a day for parents to pledge to talk to their kids about the dangers of taking medications without a prescription. Parents should secure their medicines to prevent children from accessing them, regularly taking stock of their medicine cabinets.
CONTACT: National Family Partnership | 800.705.8997 | tbyng@nfp.org | www.nfp.org

OCTOBER 29
Psoriasis Day (World)
Each year on October 29, we celebrate World Psoriasis Day, a global day of recognition for people with psoriasis and psoriatic arthritis. It is designed to raise awareness and give voice to the 125 million people with psoriasis worldwide, with activities that help increase understanding, improve access to treatments, and build unity among the psoriasis community.
CONTACT: National Psoriasis Foundation | 800.723.9166 | getinfo@psoriasis.org | www.psoriasis.org

**November**
NOVEMBER 1–30
Alzheimer’s Disease Awareness Month (National)
In 1983, nearly 20 years before he died of the disease, President Ronald Reagan helped to create greater awareness of Alzheimer’s disease, declaring November National Alzheimer’s Disease Awareness Month. The Alzheimer’s Association is the world’s leading voluntary health organization in Alzheimer care, support, and research.
CONTACT: Alzheimer’s Association | 800.272.3900 | www.alz.org

NOVEMBER 1–30
American Diabetes Month
November is American Diabetes Month, a time to communicate the seriousness of diabetes and the importance of diabetes prevention and control. For years, the American Diabetes Association has used this month as an opportunity to raise awareness of the disease and its complications.
CONTACT: American Diabetes Association | 800.342.2383 | www.stopdiabetes.com

NOVEMBER 1–30
Bladder Health Awareness Month (National)
The Urology Care Foundation supports National Bladder Health Awareness Month to increase public awareness of the importance of bladder health, educate the public about common bladder conditions and diseases, and advocate for further research on bladder diseases.
CONTACT: Urology Care Foundation | 800.828.7866 | info@urologycarefoundation.org | www.urologyhealth.org

NOVEMBER 1–30
COPD Awareness Month
As the fourth leading cause of death in America, chronic obstructive pulmonary disease (COPD), which includes emphysema and chronic bronchitis, affects more than 12 million Americans. Although there is no cure for COPD, there is much that can be done to treat and help manage the disease when detected and diagnosed early. The American Lung Association is working to save lives by improving lung health and preventing lung disease.
CONTACT: Mike Townsend | American Lung Association | 202.715.3450 | www.lung.org

NOVEMBER 1–30
Diabetic Eye Disease Month
During this observance, Prevent Blindness America will offer information to help 4.5 million Americans age 40 and older who suffer from diabetic eye disease and to raise public awareness that it can often be prevented with proper care.
CONTACT: Prevent Blindness America | 800.331.2020 | info@preventblindness.org | www.preventblindness.org

NOVEMBER 1–30
Epilepsy Awareness Month (National)
Epilepsy affects nearly three million Americans; 200,000 are diagnosed with the condition each year. During November, the Epilepsy Foundation promotes epilepsy awareness to dispel common myths about seizure disorders. Epilepsy can be a debilitating condition not only because of seizures but too often because of ignorance, fears, and prejudice.
CONTACT: Epilepsy Foundation | 800.332.1000 | www.epilepsy.com

NOVEMBER 1–30
Family Caregivers Month (National)
National Family Caregivers Month is organized each year by the Caregiver Action Network (CAN) to thank, support, educate, and empower family caregivers. Becoming effective advocates for themselves and their loved ones is one of the first steps to making their lives more manageable. Family caregivers need to become empowered, proactive, creative, and resourceful in acquiring the information and the help they need.
CONTACT: Caregiver Action Network (formerly the National Family Caregivers Association) | 301.942.6430 | info@caregiveraction.org | www.caregiveraction.org

NOVEMBER 1–30
Healthy Skin Month (National)
National Healthy Skin Month was created to encourage people to protect and care for their skin, hair, and nails.
CONTACT: American Academy of Dermatology | 866.503.SKIN (7546) | www.aad.org

NOVEMBER 1–30
Home Care and Hospice Month (National)
November is National Home Care and Hospice Month—the time of year when we honor the nurses, therapists, social workers, and administrators who make such a
difference in their patients’ lives.
CONTACT: Public Relations Department | National Association for Home Care & Hospice | 202.547.7424 | pr@nahc.org | www.nahc.org

NOVEMBER 1–30
Hospice / Palliative Care Month (National)
November is National Hospice / Palliative Care Month, a time to raise awareness about care for people coping with serious and life-limiting illness. Every year, more than 1.5 million patients receive care in US hospices; hospice and palliative care programs provide pain management, symptom control, psychosocial support, and spiritual care for them and their families.
CONTACT: Communications Team | National Hospice and Palliative Care Organization | 703.837.1500 | communications@nhpco.org | www.caringinfo.org/hospicemonth

NOVEMBER 1–30
Lung Cancer Awareness Month
Lung cancer is a tragic disease that takes a terrible toll on patients as well as their loved ones. It is the leading cancer killer in both women and men in the United States. The American Lung Association is working to save lives by improving lung health and preventing lung disease.
CONTACT: Mike Townsend, Manager, Public Relations | American Lung Association | 202.715.3450 | www.lung.org

NOVEMBER 1–30
Pancreatic Cancer Awareness Month (National)
This month-long observance encourages Americans to be heroes in the fight against pancreatic cancer and help increase awareness and visibility about pancreatic cancer in communities across the country.
CONTACT: Marketing Communications | Pancreatic Cancer Action Network | 877.272.6226 | lgilmour@pancan.org | www.pancan.org

NOVEMBER 1–30
Prematurity Awareness Month
Prematurity Awareness Month is a time when the March of Dimes mobilizes volunteers and parents to draw attention to premature birth, a serious health problem and the leading cause of newborn death: to build a concerned constituency and provide opportunities for people to become volunteers and advocates and to donate to support research and programs. This year we will commemorate our third annual

**NOVEMBER 2–8**

**Diabetes Education Week (National)**
National Diabetes Education Week was created to encourage people with diabetes to work with a diabetes educator to learn how to self-manage their diabetes using the self-care behavior framework: healthy eating, being active, monitoring, taking medication, problem solving, reducing risks, and healthy coping.
CONTACT: Communications Team | American Association of Diabetes Educators | communications@aadenet.org | www.diabeteseducator.org

**NOVEMBER 2–8**

**Emerging Nurse Leader Week**
The American Organization of Nurse Executives (AONE) organizes Emerging Nurse Leader Week as a time for nurse leaders around the world to recognize emerging nurse leaders in their hospitals and health care facilities. We celebrate the future of nursing leadership and encourage interested nurses to work with other nurse leaders to advance in their own careers and learn more about the exciting career paths available to them.
CONTACT: AONE | 312.422.2800 | www.aone.org

**NOVEMBER 2–8**

**Healthcare Patient Transportation Week (National)**
In recognition and appreciation of the dedication of hospital-based patient transporters and porters from throughout the continental United States and Canada, the members of the National Association of Healthcare Transport Management (NAHTM), Inc. take extra care to reward, recognize, and appreciate our staff during National Patient Transport Week. We acknowledge that patient transport staff are the hard working "feet" of any healthcare organization and deserve a week of their own to celebrate their unique successes.
CONTACT: Deborah Cox | NAHTM, Inc. | 508.334.8054 | debbie.cox@umassmemorial.org | www.nahtm.org

**NOVEMBER 2–8**

**Medical Staff Services Awareness Week (National)**
In 1992, President George Bush signed Congressional House Joint Resolution #399 proclaiming the first week in November as National Medical Staff Services Awareness Week. Since then, the National Association Medical Staff Services (NAMSS) has partnered with hospitals, MCOs, doctor’s offices, university health systems, and government agencies to promote awareness of medical services professionals.
CONTACT: Andrew Miller | NAMSS | 202.367.1196 | info@namss.org | www.namss.org

**NOVEMBER 2–8**

**Radiologic Technology Week (National)**
National Radiologic Technology Week is celebrated annually to recognize the vital work of radiologic technologists across the nation. The occasion commemorates the anniversary of the x-ray’s discovery by Wilhelm Conrad Roentgen on November 8, 1895, and brings attention to the important role medical imaging and radiation therapy professionals play in patient care and health care safety.
CONTACT: Anthony Acree | American Society of Radiologic Technologists | 505.298.4500 | aacree@asrt.org | www.asrt.org/nrtw

**NOVEMBER 2 (TENTATIVE)**

**Lung Cancer Walk for Hope**
Cancercare provides free support services for anyone affected by cancer—people with cancer, their caregivers, friends, loved ones, and the bereaved. Professional oncology social workers provide including counseling, support groups, financial help, education, and practical support, completely free of charge. The Annual Lung Cancer Walk for Hope, held the first Sunday in November, raises awareness and funds for Cancercare's National Lung Program.
CONTACT: Cancercare | 800.813.HOPE (4673) | info@cancercare.org | www.cancercare.org

**NOVEMBER 3–7**

**Patient Blood Management Awareness Week**
The Society for the Advancement of Blood Management (SABM) invites healthcare organizations worldwide to participate this week in educating patients and healthcare professionals about patient blood management. SABM is a nonprofit society
of physicians, nurses, and technicians with expertise in patient blood management and a mission to improve health outcomes for everyone. We provide public education, advance best practices, and develop learning tools and evidence based clinical pathways.

CONTACT: Jonathan Williams | SABM | 434.977.3716 | info@sabm.org | www.sabm.org

NOVEMBER 3–9
Allied Health Professions Week (National)
National Allied Health Professions Week honors the three million healthcare providers working in more than 80 allied health professions. Allied health practitioners greatly influence healthcare delivery by supporting, facilitating, and complementing the roles of physicians and other healthcare specialists. The focus of Allied Health Professions Week is to promote the celebration of allied health careers by providers, educators, and accrediting organizations.

CONTACT: Association of Schools of Allied Health Professions | 202.237.6481 | www.asahp.org

NOVEMBER 9–15
Home Care Aide Week
The second full week in November, Home Care Aide Week honors heroes who make a remarkable difference in the lives of patients and the families they serve.

CONTACT: Public Relations Department | National Association for Home Care & Hospice | 202.547.7424 | pr@nahc.org | www.nahc.org

NOVEMBER 9–15
Mental Health Wellness Week
Mental health is how people think, act, and cope with life and the challenges that are part of the human experience. The state of people’s mental health can influence the ways in which they look at themselves, their lives, and others around them, strongly influencing their potential for achieving goals and obtaining and maintaining a feeling of well-being. Mental Health Wellness Week brings awareness of and creates venues for public education about mental health wellness.

Great American Smokeout
The American Cancer Society held its first Great American Smokeout in 1976 as a way to inspire and encourage smokers to quit for a day; one million people did so in California. The Great American Smokeout encourages smokers to commit to making a long-term plan to quit smoking for good.

CONTACT: American Cancer Society | 800.227.2345 | claire.greenwell@cancer.org | www.cancer.org/smokeout
**DECEMBER 1–31**

**Safe Toys and Celebrations Month**
The holiday season is a time for family, fun, and festivity, but it can also be a time of danger. Each year, many people suffer from eye injuries caused by unsafe toys and celebrations. Watch those tree branches, chill your champagne bottles, cover the cork while releasing it, and celebrate safely. If you experience an eye injury, seek medical attention immediately.

---

**DECEMBER 1–31**

**Safe Toys and Gifts Month**
What are the most dangerous toys to children’s eyesight? Tips on how to avoid those toys in favor of age appropriate and safe toys will be distributed.

CONTACT: Prevent Blindness America | 800.331.2020 | info@preventblindness.org | www.preventblindness.org

---

**DECEMBER 1–5**

**Older Driver Safety Awareness Week (National)**
Through Older Driver Safety Awareness Week, the American Occupational Therapy Association aims to promote understanding of the importance of mobility and transportation to ensure older adults remain active in the community with the confidence that transportation will not be the barrier to strand them at home.
Each day provides a different focus, from tips to approaching family conversations to adaptations to ensure safety to other community mobility options.

---

**DECEMBER 1**

**AIDS Day (World)**
In 1988 the World Health Organization (WHO) established World AIDS Day. December 1 focuses global attention on the continuing impact of the epidemic and encourages each of us to take action to expand our collective response to it.
