COVID-19 Update Call
April 23, 2020

Agenda

I. Overview of COVID-19 Statistics

II. Federal Update

III. State Update

IV. Question and Answer
As of April 23, 2020

- 2,135 COVID+ patients
- Average rate 15.1%
- 50% of patients in Broward and Dade counties
- 675 in ICU (32% of total)
- 440 on ventilators (65% ICU)
- 8,390 ventilators available
- 3,362 anesthesia machines converted to ventilators
Data Request: CARES Act

- HHS to distribute second round of relief funding soon
- Hospitals MUST provide data by 11:59 p.m. PST to be eligible for funding
- One-time data request, separate from state emergency status system reporting
- Contact TeleTracking Technical Support at 877-570-6903 for additional information

Assistant Secretary for Preparedness and Response (ASPR) Grant

- CARES Act included $50 million for state hospital associations to support hospital COVID-19 preparedness and response efforts
- FHA secured $2.8 million grant to support hospital emergency preparedness work
- All acute care hospitals with an emergency department will receive base distribution of $7,500; remaining funds distributed based on number of licensed beds
- Hospital participation confirmations due tomorrow, April 24
After careful deliberations with FHA's Quality and Patient Safety and Workforce Committees, the FHA Board voted to support the Florida Bioethics Network’s *Ethics Guidelines for Crisis Standards of Care*.

Board also approved advocating for executive order to provide limited immunity to health care providers in connection with their response to the COVID-19 crisis.

‘OPEN’ Plan to Safely Resume Elective Surgeries

**Observe** the COVID-19 rate of occurrence in the community.

**Prevent** transmission of COVID-19 to patients and health care providers.

**Establish** a transparent and collaborative process to restore elective surgery and procedures.

**Network** with all health care providers across the continuum.

---
